This is a full-time mid-level position for a self-directed individual with a commitment to integrity, quality, and a passion for textiles and brands. Employee will be responsible for the application of textile standards (chain of custody, environmental systems, social compliance, quality, and regulatory requirements) and principles. The position requires analytical and objective evaluation of company and site-level policies, practices, and observations. Applicants should have some familiarity with textile industry and sustainability standard.

The position requires extensive domestic travel and occasional international travel.

### **Location requirements:** TBD

### **Auditor Job Responsibilities:**

- Conduct textile and customer specific audits primarily in the United States. This could also include social compliance audits at distribution and or production facilities
- Ensure customer compliance with established certification standards by examining records, reports, operating practices, and documentation
- Communicate audit findings by preparing a final report and discuss findings with auditees; prepare reports by collecting, analyzing, and summarizing operating information and trends, with a high degree of integrity and quality
- Maintain professional and technical knowledge by attending educational workshops; reviewing professional publications; establishing personal networks; participating in professional societies
- Contribute to team effort by accomplishing related results as needed, including assistance in developing, implementing, and maintaining certification and audit programs

### **Auditor Skills:**

Audit, Compliance, Documentation Skills, Attention to Detail, Reporting Research Results, Presentation Skills, Software, Coordination, Organization, Thoroughness, Objectivity, Conflict Management

### **Auditor Job Qualifications:**

- BA/BSc required
- Minimum 3 years textile industry experience in any practical capacity for social, environmental or business management practices
- Must be able to travel domestically and internationally, including ability to obtain a passport
- Driver's license is necessary
- Lead Auditor Training /Qualification (e.g., ISO 9001 QMS) desired
- Spanish language fluency an advantage

### **Employment Compensation:**

The Control Union Textile Auditor compensation package will be based on qualifications and experience. Benefits include medical, dental and vision. Paid vacation and profit sharing available upon eligibility (1 year employment). 401(k) program is available immediately but currently no company contributions.

Salary range: To be discussed depending upon qualifications.
