

IOIA PROXY FORM

Inspector Members have voting rights and can carry proxies. IOIA needs to insure that a quorum is present to transact business at the Annual Meeting. Returned mail ballots are likely to insure a quorum for the specific issues on those ballots. However, a quorum is still needed to transact business other than those issues on the mail ballots. Please help to insure that a quorum will be present by carrying the proxy of another member who will not attend the Annual Meeting.

The following proxy is a suggested form. However, specific format is not required. To be valid, the proxy must be completed, stating the member's name and the name of the person they designate to carry their proxy.

Proxies should be presented to the Board of Directors at the beginning of the Annual Meeting.

I, _____, designate _____, as my proxy holder for the 2012 IOIA Annual General Meeting.

Dated this _____, day of _____, 2012.
